**SAINT JOSEPH HIGH SCHOOL

dedication

"We are . . . St. Joe's." A cry that is part of the lives of many people. For the past twenty-three years, students have made Saint Joseph High School number one in every respect. The Saint Joseph student creates an image that combines pride, spirit and love of God. A simple man once said, "Love thy neighbor as thyself for the love of God." No other single statement could better describe the feeling of unity between our students. A feeling that makes us accept one another, good or bad, for what we are. A feeling that stays inside us for many, many years after graduation. A feeling that is an important part of our lives.

We dedicate the 1973 Viking to every Saint Joe's student, past and present, living and dead. It is in him that this school finds life.

The numerals XX on the cover represent the 20th graduating class and the 20th volume of the yearbook. Senior Paul Newsome submitted the design for this cover. This year's VIKING is the product of long hours of planning during the summer and many Sunday afternoons at school. The book is divided into four sections: Summer, Fall, Winter and Spring. The 1973 VIKING'S design is similar to that of a calender. There are no sports or activities sections. The different sports and activities

spring

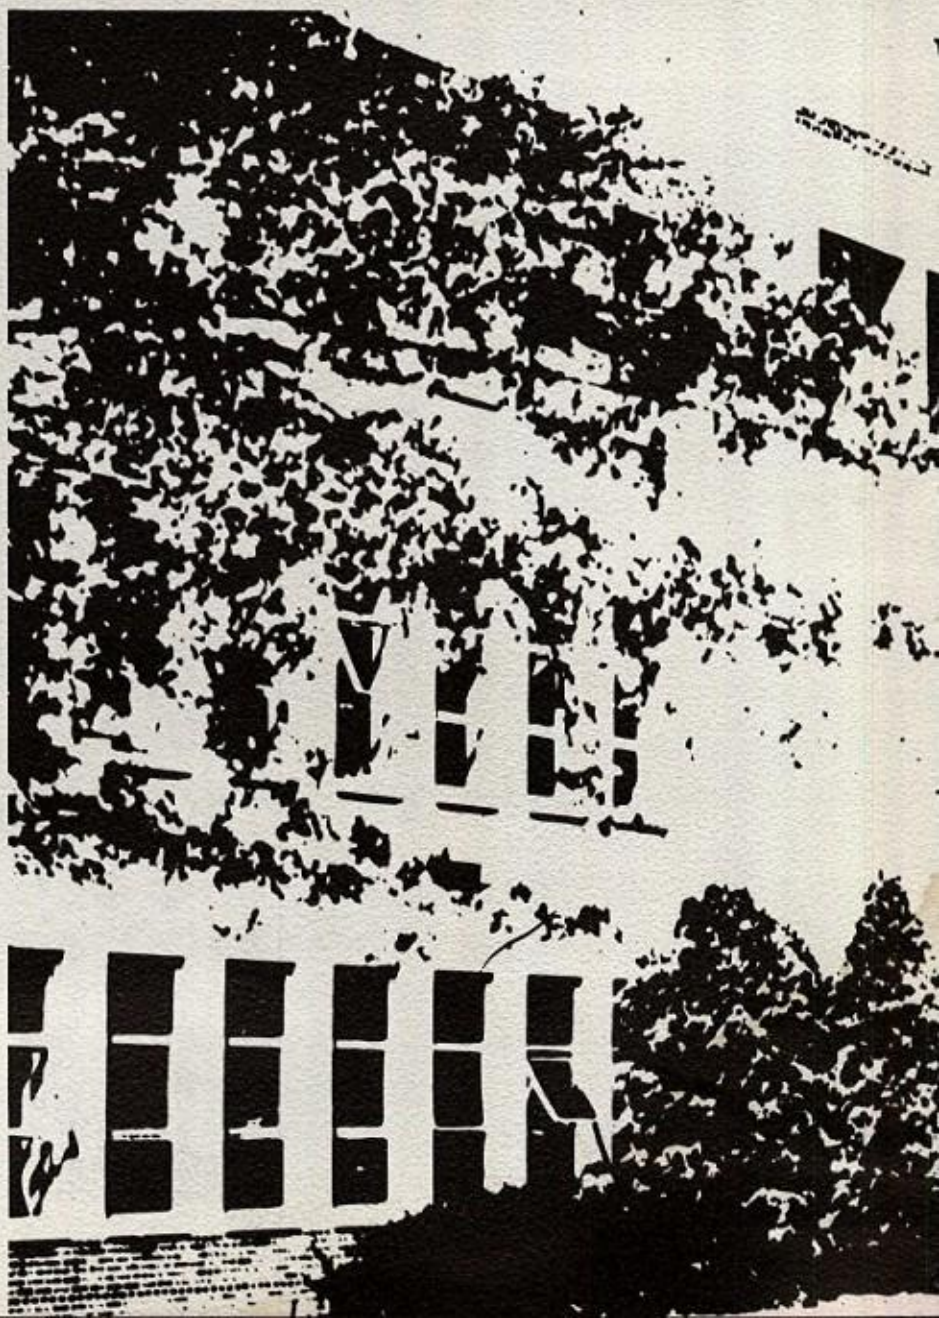

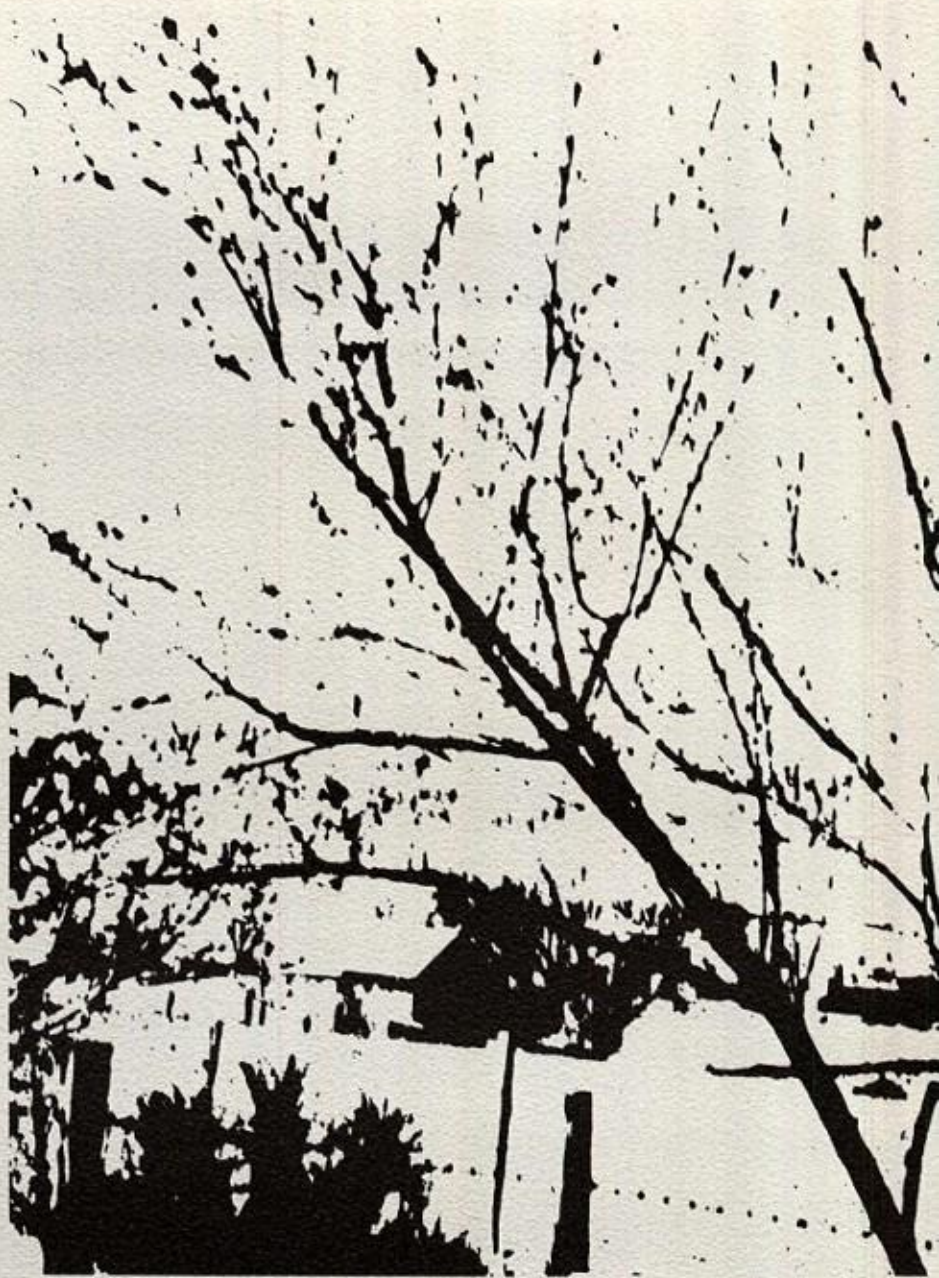

appear in chronological order. Clubs and events that are not associated with a specific season can be located by checking the index on page 267. The staff has attempted to cover as many different activities as possible. These events hold memories for each one of us that we will never forget. The following pages tell the story of Saint Joseph High School, 1972-73. If at some future date you can pick up this book and recall the story, we have succeeded in our attempt.

The Cleveland Plain Dealer had written an article entitled "Has the Viking Era Ended?" This year's football team answered that question with desire, hustle and drive. The season started with an important 8-6 victory over Euclid. The offense was sparked by a 73 yard touchdown pass from Junior quarterback Frank Pasqualone to Senior Bob Gutbrod. This was the final game of a fierce rivalry, filled with the hopes and dreams of many a Viking gridder. It seemed only fitting that a St. Joe win climaxed more than a decade of domination. The next game brought total destruction to Mentor as the mighty Vikes rolled to a 34-0 whitewash of the Cardinals. The offense exploded for its highest point production of the year. Bob Gutbrod scored twice and ran for over 150 yards, while Pasqualone threw for his third and fourth TD passes of the year. Mayfield was the next to incur the wrath of the undefeated Vikings. The defense now renamed the Huns by Coach Frank Weglicki, shone like sunlight on a gloomy Saturday night while posting their second straight shutout, linebacker Bob Schmitz scored on a blocked punt and defensive end John Stankus streaked 65 yards with a recovered fumble to seal a 19-0 victory over the Wildcats. The Chanel Firebirds flew into Euclid Stadium with enthusiasm and spirit. For the second straight game a blocked punt led to a score by Schmitz. However two Chanel TD's had the Vikings hard pressed to pull out a 28-13 win. The victory was clinched by a Mark Lepore 80 yard kickoff return, that set up a two yard plunge by fullback Tom Parker. "Kill for Kel." This was the theme of the St. Ed's game. Senior defensive back David Kelleher gutsy, dedicated, underrated was out for the season with a knee injury. At a Friday morning rally the team announced it had dedicated the game to Dave. Kel watched along with 7000 other screaming Viking fans as the Huns stopped the Eagles with two of the finest goal line stands seen in Coach

Gutbrod's twenty year career. The final outcome was 10-0 as Pasqualone hit Dave Hahn with a 33 yard scoring toss and Tom Gibson kicked a 25 yard field goal. Emotionally drained after the victory over St. Eds, the team feared a let-down against Padua. It never happened as the Vikes walloped Padua 28-6, to become 3-0 in the crown. Saturday, October 28, St. Joseph Vikings vs The Cathedral Latin Lions. At Stake: the Crown Conference Championship No. 1 ranking in the city, possible trip to the State Championship. Latin Coach Frank Zebkar bragged "We're two or three touchdowns better than any other team in our league." The Vikings would have none of this. In a mudbath, the two Crown Conference titans played to a 0-0 tie. Defensive end Bob Coan played a superb game befitting one of the finest linemen in the state. Even though they were only co-champs, the team walked off the field the way they walked on, with Viking Class. The next foe to meet the Vikes was State-ranked Toledo Central Catholic. A muddy field and an injured Frank Pasqualone spelled defeat as Central Catholic won a 6-0 squeaker. For the second straight week the team faced a state-ranked power: Toledo Scott. A St. Joe victory would make a trip to the state championship a strong possibility. After a late fourth quarter TD pass from Sophomore Gary Trivisonno to Bob Carmosino, a 15-14 Viking victory seemed assured. But with 13 seconds left disaster struck. Scott scored on a blocked punt for a 21-15 win. We had come so close but it was not to be. The final game against Benedictine was simply a matter of pride. One of the hardest hitting games of 1972 resulted in a 0-0 tie. It was a record fifth shutout for the Huns; who in breaking all but one existing defensive record proved itself to be the finest defensive unit in St. Joseph football history. A supposedly mediocre team carried on the Viking tradition with pride by finishing 6-2-2.

To set goals takes dreams of the future. To achieve goals takes ultimate sacrifice. The dreams as well as the sacrifice began in 1970 and grew brighter and brighter until 1973 became the year of the Viking. The star-studded triumverate of Guilfoyle, Cannon, and Taylor led the team through an almost unbelievably perfect season. The only loss during the regular season being a 64 to 60 heartbreaker at St. Ed's. However, this year's success can by no means be attributed to three players. There was the super coaching job of mustachioed Bob Straub, the clutch performances of Coan, Thompson, Wiegand, Kelleher, Srsa, and Cyvas, and the support of the leather lunged student body. These are the factors that fulfill dreams and achieve goals.

Epilogue: The season ended with a hard fought 71-65 loss to J.F.K. in the District Finals. However, as long as there are people with enough foresight to set goals, and enough tenacity to make these goals attainable, the Viking dream will never end.

Problems In '72

It's no great secret that St. Joseph High School has faced financial problems in the past, but not so widely known are the financial problems the Class of 74 faces.

Last year the Class of 74 headed by president Gary Minadeo decided to have a light bulb sale to help bolster their economic situation. Each member would be asked to sell 3 packs. The date for the drive was rescheduled twice because of the car raffle and the Nationality Fair. By this time, the guys were tired of selling things. The class officers asked the rest of the class to sell at least one pack each. Two of the officers, hurrying to get to their tests, left \$50.00 and the list of people with bulbs in their lockers. When they returned, the money and list were gone.

Student Council paid for the loss of over \$600. to the light bulb company, with the condition that the money be repayed by the class before February 1, or else the two officers would face suspension.

Plans are already being made for the reimbursement of Student Council. Three film festivals for the months of October, November, and December are being planned. October will bring a show for children, while November's production will be geared for teenagers, and in December a Christmas Show will be presented. Tentative prices will be 75¢ for children and \$1.00 for adults.

Two basketball games with the Ghoulateers and either faculty or one of the girl's schools are also planned.

50¢ dues will also be collected. But the keynote to the success of these programs is again co-operation. The officers of 74 hope their fellow Vikes will come through this year to erase the debt.

Steve Ciciretto

The Student Council dances this summer were a big success, thanks to the efforts of S. C. Dance Committee co-chairmen Bill Guhde and Frank Lesefsky. Refreshments were handled by Ken Vogrig, who made sure there was always enough. Top bands such as Circus and Fully Assembled which drew many people came and had a better time than ever before.

But Student Council has been doing a lot more than just working on these dances. They have scheduled events until Christmas time. (A copy of this schedule was put in every locker before Orientation Days.) Many more mini-courses (non-credit courses offered by S. C. to all students during free mods for extra learning or just plain fun) are being planned; they will run the gamut from the comical (Bob Boyd's expert pizza-making) to the serious (tips on chess playing and test taking.)

Student Council wants to enable every student to get the most from his time. In fact, this is their time; to offer you more than the choice of just sitting in the cafeteria during free time. They are trying to offer more and better things to do to every student with almost any interest. This will enable learning and improvement to take place outside the classroom.

Besides the mini-courses, S. C. is

planning to have many guest speakers and special programs. Mayor Perk and Nick Mileti have been invited, as have other professionals who will give us insights into the stock market and income tax. Sergeant Pat Walsh from the Euclid Police Department will talk about law enforcement. He plans to show us the latest crime fighting techniques with examples of police weapons. Ohio's Department of Natural Resources will also present a special program.

Also offered will be free movies with top titles such as "Animal Farm" and "The Bridge Over the River Kwai". Of special interest to upperclassmen will be S. C. sponsored college visitations of area institutions. These will let the juniors and seniors see what a college is like and may help to finalize their choice of college.

All the assemblies, guest speakers, movies, etc., are being presented directly by the S. C. Committee on Education, headed by Jim Primosch, working closely with Bob Jaquay, S. C. President. They are also planning a special system where any student who is having teacher troubles and is afraid of repercussions, can write his problem on paper along with his name and drop it in the proper box in the S. C. office. Then, S. C. will try to get the problem straightened out

with the teacher without mentioning any names. Thus, S. C. hopes that by acting as an intermediary, many student-teacher conflicts can and will be solved.

The Public Relations Committee is being handled by Matt Powers. He is in charge of all S. C. publicity, including dances and public relations articles in area papers, such as Viking Views. He will also organize the eighth grade visitations later in the year.

Hank Prijatel is head of the Spirit Committee which plans rallies and marches, and in general gets team support soaring before the games. The Religious Activities Committee, co-headed by Damian Birkel and Greg McGrath, works directly with Father Gene Contadino, school chaplain. They plan the different liturgies for the various school Masses, as well as the retreats. New this year will be a Saturday Day of Recollection for those who cannot take off during the week because of school or work. These will offer to all a chance to rap, pray, and become closer to fellow students and to God.

Intramurals this year will be organized by chairman Andy Gruber along the lines of quality and total student involvement. His goal will

MOTTO

I play it cool
and dig all jive
That's the reason
I stay alive.
My motto,
As I live and learn,
is:
Dig and Be Dug
In Return.

I see not a step before me as
I tread on another year;
But I've left the Past in God's
keeping, — the Future His
mercy shall clear;
And what looks dark in the distance,
may brighten as I draw near.

The 1973 Viking is the history of St. Joseph High School for the school year 1972-73.

There are 272 pages, trim size 8½" x 11". The book was printed on Stipple paper.

There were 1200 copies printed by Hunter Publishing Company, Winston-Salem, North Carolina. The ink used is Black-Black.

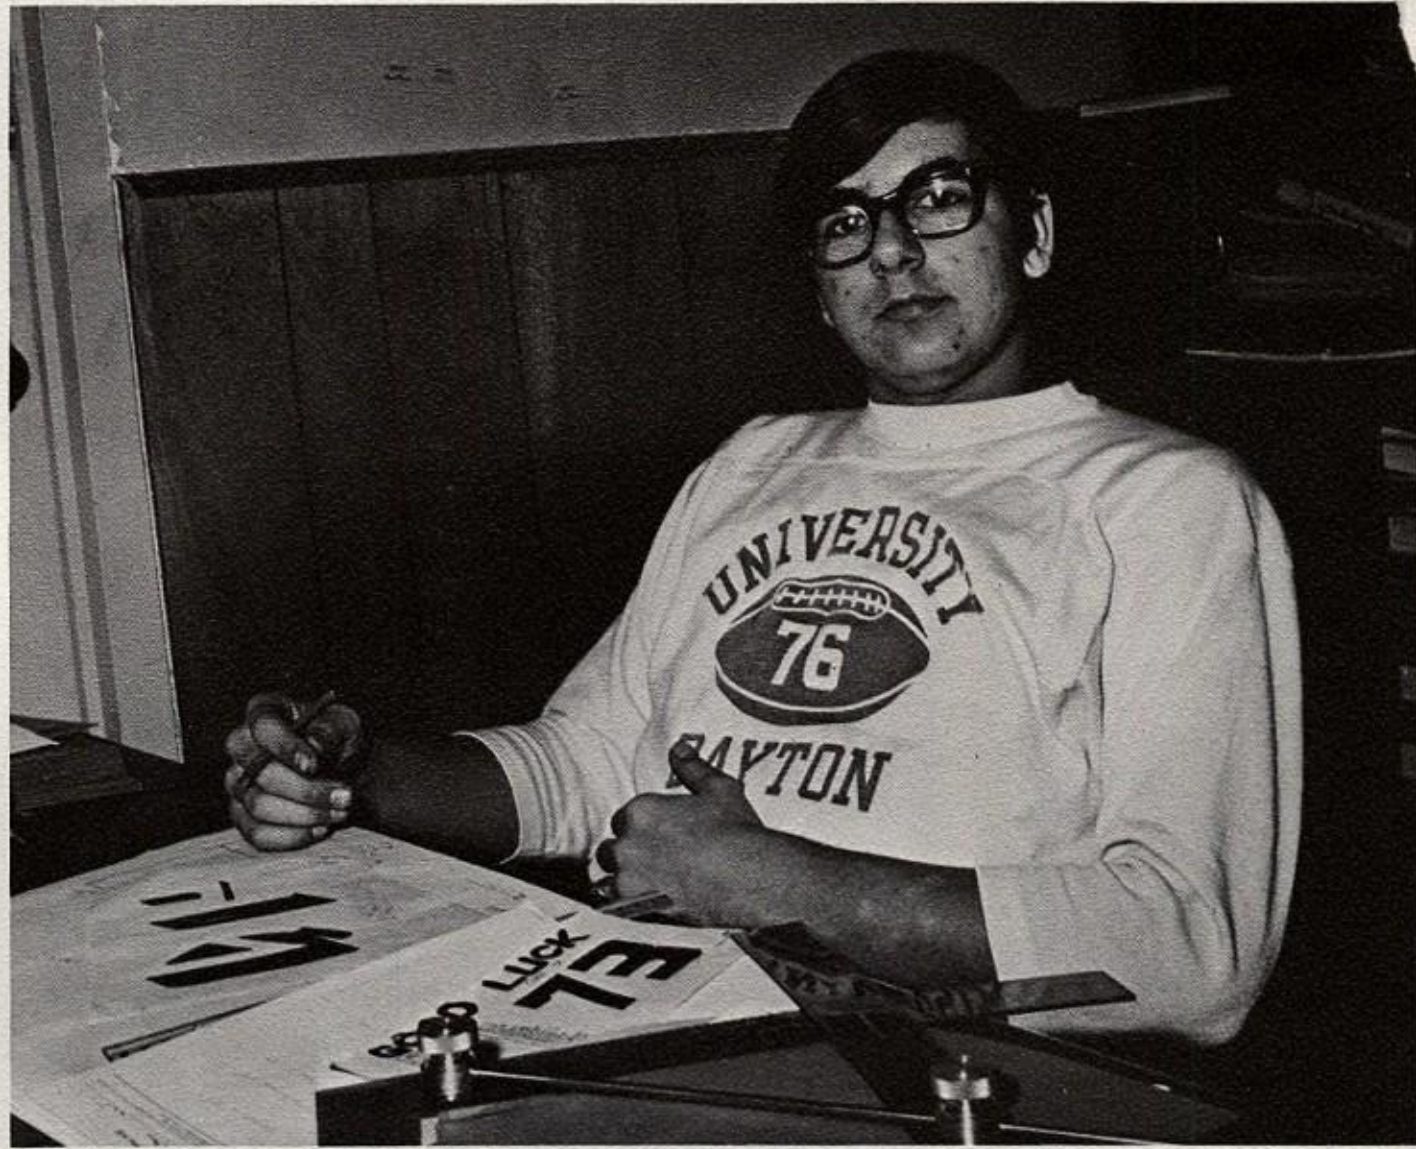

The cover was done by The S.K. Smith Company, Chicago, Illinois. The Viking ship on the cover is a silver metalay. The color is Basin Street Blue No. 55 and the grain is Bark No. 133.

The headlines are 36 point News Gothic Bold. The copy is 8 & 12 point Helvetica. All headlines and body copy were written by the VIKING staff.

The senior pictures were taken by Raimor Studio's, Cleveland, Ohio.

The pictures on pages 150, 151 are courtesy of Terry Udovic. The art on pages 146, 153 was done by Michael Browne.

Our operating budget was \$13,000 obtained by student fees, book sales and a patron drive.

To have been chosen for the 1973 VIKING staff was an honor. Being the Editor was an experience I'll never want to forget.

I want to thank those staff members who spent long hours working on this year's VIKING: Mark Gabrenya, Bruce Swartz, Paul Smith, Chris Johnston, and Rich Fortenbaugh, better known as Chip. To Gary Brown and John Nisky I owe endless thanks. They both worked on every section of the "73" VIKING.

There were many people who, by their support and cooperation, contributed to the success of this book. My sincere thanks to Mr. Timothy Robertson, our moderator and his wife Georganne for their patience and help; Mr. Michael McKelley, the representative from the publishing company, for his many trips from Canton to Cleveland; Mr. Joseph Radican, our Principal, who helped us with job of getting the book started; the ladies in the treasurer's office for their cooperation all year long; Bill Schaffer, our leading patron seller, and to the entire student body, for your support.

Thanks again,
Mike Perry
